Student Loans			83%

Notes:

1. The document is for informational purposes only and is subject to change without notice. This margins schedule is not binding on the Federal Reserve System in any particular transaction.

2. Obligations of the pledging depository institution are not eligible collateral

3. Eligible securities for which a third party price is not available are assigned an internally modeled value. The margin for the >10 duration bucket is applied to such securities.

4. Individually deposited loans are loans pledged to the Federal Reserve Banks via the Automated Loan Deposit system. Loans pledged through other means are classified as group deposited loans.

5. The margin applied to individually deposited loans is determined by the maturity and coupon of the loan

6. Includes structured Guaranteed Notes issued by FDIC or NCUA which do not accrue interest at a stated rate and do not make any payments prior to maturity

7. Eligible foreign currencies are Japanese Yen, Euro, Australian Dollars, Canadian Dollars, British Pounds, Danish Krone, Swiss Francs, and Swedish Krone

Includes structured Guaranteed Notes issued by FDIC or NCUA which may be backed by loans, RMBS, CMBS, or ABS
"Minimal Risk" is equivalent to investment grade.
"Normal Risk" is equivalent to below investment grade while remaining a "pass credit" from a regulatory standpoint
